## Market rules

- ♦ **What can be sold:** all merchandise must be at least 30 years old, collectible and out of current production. Reference materials, organic accoutrement, and restoration supplies are allowable. This is not a newer collectibles or crafts show: re-purposed articles may be sold but must be constructed from clearly identifiable older materials and should not comprise more than 50% of any vendor's inventory. We reserve the right to remove from display any and all items not meeting these standards.
- ♦ **Vendor's obligation:** this is a paid admission show - **absolutely no departures until 3:00 p.m. without prior permission.** Exception requests should be rare and must be obtained from management before packing. Violators will be issued one written warning. A one-year exclusion may follow a second violation.
- ♦ **Buyer's rights:** we recommend that merchandise be clearly priced and that vendors issue sales receipts.
- ♦ **Our liability:** management (Bruce Metzger, Inc.), its agents, and the City of Lawrenceburg assume no responsibility for losses or injuries for any reasons.
- ♦ Retail sales are subject to Indiana sales tax. Forms and instructions are available online at [www.in.gov/dor](http://www.in.gov/dor). Management does not require proof of compliance.
- ♦ Payment of space fee shall be construed as an acceptance of all Market rules and procedures.

## Acquiring vendor space

- ♦ No spaces will be reserved until paid for. **Payments by mail, phone or online must be received by 5:00 p.m. on the Thursday preceding each Market date.** Remaining booth spaces will be sold on a first-come, first-serve basis after that with a \$10 surcharge.
- ♦ Space assignment entitles entry to two adults and two vehicles. *Additional vehicles or adults are subject to full space fee.*
- ♦ Unoccupied reserved spaces may be resold after 7:00 a.m. on the day of the show.
- ♦ **To be eligible for credit or a refund for cancellation, a minimum 15 day notice prior to the date of the show is required.**
- ♦ No weather related refunds or credits.

- ♦ Vendors are permitted to sublet their booth provided the vendor who subleases it adheres to all Market rules and procedures. Call for details.
- ♦ **Same Space Privileges:** For returning vendors, we generally guarantee the same booth location (based on the last 2 of 3 regularly scheduled shows) provided that full payment is received by **March 15, 2026** for the May show. For subsequent shows, full payment must be received by the **15<sup>th</sup> of the preceding month** to reserve the same booth space.
- ♦ Month to month vendors are allowed one "rollover" show per season with advance notice by the 15<sup>th</sup> of the preceding month. You may return to your same space the following month.
- ♦ Vendors only need to submit one completed application per season unless information has changed.
- ♦ Season dealers must report expected absences in advance or risk losing assigned locations without refund.
- ♦ A \$25 fee will be charged for any checks that are returned for insufficient funds.

## Locations & set-up times

Because we share the Fairgrounds on Saturday evenings with the Lawrenceburg Speedway, only the notated (\*) buildings below and select outdoor spaces are eligible for Saturday set-up.

**Saturday set-up is closed to the public!**

**Only registered vendors, Market staff, and Lawrenceburg security personnel will be permitted access. Overnight camping is allowed. Please check-in for identification upon arrival.**

**Outdoor: 20' x 30' (minimum depth)**

**Most** outdoor dealers must wait to set-up until after Saturday night races have ended - *usually by midnight but may run later.* **However,** we do have a few outdoor spaces available for Saturday set up starting at noon in the AB row. Please call for details.

**Indoors: \*Agner Hall (rear): 10' x 10'**

**\*Agner Hall (front): 12' x 12' or 10' x 15'**

Both sections are heated, but only the rear is air conditioned. All booths are available for set-up beginning at noon on Saturday. Building remains open with attendants on duty until races have ended. Doors are locked overnight and reopened Sunday morning at 5:00 a.m.

**Covered: BG & GX Shelters: 12' x 15'**

**\*J Barn: 8' x 20'**

**\*K Barn: 8' x 20' or 10' x 16'**

Covered buildings are open-sided and may be driven through for unloading for most vehicles. Only some locations offer dealer parking behind the booth. Please ask for details.

K Barn and J Barn dealers may set-up any time after noon Saturday. Limited uniformed security is provided beginning at 4:00 p.m. Saturday until 7:00 a.m. Sunday when the show begins. BG & GX Shelter spaces are not available for set-up until after races.
